Meets and bounds of Captain Joab Earley’s Company

We the undersigned appointed by an assemblage of the commanding officers of the two Battalions and companies within the county of Orange by virtue of a call of the commanding officers of the Regiment to divide Capt. David Goodall’s Militia company district so as to have in each district not use that forty men ranks and file. We have divided the district in the following manner, commencing at the swift run road, where the run crosses the road at John Shelor’s or Page’s old place, thence down swift run to Blakey’s road; thence with Blakey’s road to the Albemarle Line, at Bingham’s meeting house. This division is as equal as we can possibly make the districts, if the lines are to be plain and notorious, and from Capt. Goodall’s list of Militia shown; if this division should be made, there will be forty three men in the upper or new district, and lower or Goodall’s district, will be reduced to forty six men. Given under our hands and seals this 10 day of February 1809.
